Matiari Residential Park is surrounded by over 116,250.23 square feet of lush vegetation. Matiari presents a fresh residential perspective inspired by nature.

We offer a sustainable lifestyle through 1, 2, and 3-bedroom apartments in 13 towers, equipped with top-notch amenities designed to meet all your needs.

All units come with marble floors, a granite countertop in the kitchen, and include inverter air conditioners, LED lights, and tempered glass.

A full-page photograph of a woman and a young girl running joyfully through a sunlit park. The woman, in the foreground, is wearing a green denim jacket over a light-colored knit top and has her arms outstretched. The girl, behind her, is wearing a striped shirt and denim overalls, also with her arms raised. The background is filled with lush green trees and a bright, glowing sun that creates a warm, golden light and lens flare effects across the scene.
